COURSE PREFIX	COURSE NAME	SUBSTITUTE COURSE	SEMESTER	YEAR	CREDITS	GRADE

## Associate of Applied Science in Business Management

The Associate of Applied Science in Business Management is a workforce degree intended for those students seeking entry-level employment upon completion. Students who are considering continuing their education after their Associates Degree should consider the Associate of Business in Business Administration.

### Program Learning Outcomes

1. Develop and demonstrate the ability to use data to solve common issues that arise in business operations.
2. Develop and demonstrate knowledge of basic organizational and procedural principles of business.
3. Develop and demonstrate a basic level of understanding of the economic and legal contexts for business operations.
4. Develop and demonstrate the ability to plan the needed activities to start and manage a small business.

### Students:

You must secure official approval by your advisor(s) before submitting the **final** Program of Study. By signing or entering your name below, you agree to the following statement: "Students are responsible for complete knowledge of Academic Catalog requirements in their degree plan and for adhering to all policies in Academic Catalog and Student Handbook."

### Signature Panel:

Please indicate approval of the curriculum on the Program of Study by placing your signature (formal electronic signatures are permitted) in the space provided.
